

VILLAGE OF LEAWOOD
Review and Verification of Financial Transactions
By the Board of Trustees
For Calendar Year Ending December 31, 2024

Procedures for Review and Verification of Financials

The board of trustees met bi-monthly (January, March, May, July, September, and November in 2024). The board also had special meetings on August 22nd for tax levies. The bi-monthly meeting agendas were included in the Leawood Ledger that was mailed to residents prior to the meeting, posted at the meeting location and on Facebook page for Leawood. The bi-monthly agenda always included approval of bills for payment; review of financial transactions and statements; and other issues for discussion.

1. The treasurer submitted a listing of the bills for payment with the necessary supporting documentation.
2. The treasurer submitted a bank register of checks and deposits and ending balance along with original bank statements.
3. The trustees would then approve and sign the documents that were prepared by the treasurer.
4. The chairperson would review the financial statements. Attached are the financial statements for December 31, 2024. These same types of statements were submitted and reviewed at each bi-monthly meeting. The trustees would sign and approve these financial statements.
